Both his individuality and his ancestry mark him as a prospective herdsire of unusual promise. He is a son of Sni-A-Bar Royal Baron, many times a first prize winner and champion. His dam is a daughter of Roland Clipper, one of the best known bulls in Canada, with an outstanding record at Beath Farms. This young bull is ready for heavy service and will add value to the herd of his purchaser.

## To All Lovers of Shorthorns

You have just looked through the Catalog of The Northern Indiana Shorthorn Breeders Association. We have featured in the catalog pictures of the great sires in use in Indiana. Pictures of grandsires of animals in this sale. Where can you go and find such an array of sires? Where can you find cattle with greater bulls as ancestors? We invite you, now, to come and take advantage of the best blood in the United States and Canada.

If you know a club boy bring him along. Twenty steers sired by these great bulls will sell at ten o'clock in the morning. Our cattlemen of the future are the Club Boys of today. Sponsor some good boy in your community and help us in our effort to put good Shorthorn steers in their hands.
